

"90%" list for Aeschines, Aristotle, Demosthenes, Lysias, Plato, Thucydides, Xenophon, et al. Note that English translations have been automatically generated: Use with caution! This list is an edited version of a search with the Perseus Greek Vocabulary Tool, and may be especially of use in combination with other Attic prose vocabulary lists of ca. 1000 words. Again: this list is imperfect. I am aware of: alphabetization problems; some lemmas do not belong; some are in non-Attic form; many definitions are problematic.
